

2017~2018 SATURDAY PROGRAMS Session I

SESSION I is scheduled to start Saturday, September 9th.

- ❖ **The Saturday Respite Program is open to children 6 to 13.** This social/recreational and leisure program includes group and individual time, with opportunities for indoor and outdoor activities. Experiences can include large-motor activities, games, music, arts & crafts, cooking activities, and socializing with friends. Experiences may also include the occasional off-campus field trip. Program plans are geared to foster choice, decision making skills and group interactions. Our Saturday Respite program is designed to provide the entire family a break from the intense structures of the weekly routine and to enjoy a relaxing experience.
- ❖ **The Saturday Transition Program is open to teens and young adults ages 14 and older.** This life-skills program includes group and individual time, and is designed to encourage and enhance continued growth in the lives of our participants through social, recreational, and leisure activities, as well as skill development to thrive independently and in the community. Program plans are geared to foster choice, decision making skills, group interactions and independence with a focus on the program participant's strengths and preferences.

Session Times: Saturdays 9:00 AM – 3:00 PM

Sessions run in 8 week blocks - Dates for Session I – September 9th through November 4th

NO programs on 10/7

Tuition: \$600.00 per session

Please note: Additional fee of \$200.00 per session will be incurred should it be determined that your son/daughter requires 1:1 support to participate.
